Collection of your Personal Information

Company may collect personally identifiable information, such as your name. If you purchase Company's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Company. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Company website.

Company encourages you to review the privacy statements of websites you choose to link to from Company so that you can understand how those websites collect, use and share your information. Company is not responsible for the privacy statements or other content on websites outside of the Company website.

Use of your Personal Information

Company collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Company may also use your personally identifiable information to inform you of other products or services available from Company and its affiliates. Company may also contact you via surveys to

conduct research about your opinion of current services or of potential new services that may be offered.

Company does not sell, rent or lease its customer lists to third parties.

Company may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Company, and they are required to maintain the confidentiality of your information.

Company will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Company or the site; (b) protect and defend the rights or property of Company; and, (c) act under exigent circumstances to protect the personal safety of users of Company, or the public.

Security of your Personal Information

Verisign

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Verisign is an independent, third-party company engaged in the development of digital trust. Verisign provides authentication of Internet services, digital identity and intellectual property. By clicking on the Verisign logo, the Verisign website will serve up a web page that confirms that Company is "Verisign Authenticated."

Children Under Thirteen

Company does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.
